

AMBIENT SHOWCASE DISPLAY

AD1/AD2 Series

The BONVUE AD Ambient Countertop Showcase Series is designed to elevate countertop food presentation in cafés, bakeries, patisseries, and delicatessens. With a sleek glass construction and modern minimalist frame, these displays showcase pastries, sandwiches, desserts, and baked goods while maintaining easy customer visibility and convenient staff access. Available in single and double-layer formats, the AD Series offers a stylish and practical solution for venues looking to increase impulse purchases and improve countertop merchandising.

Key Features

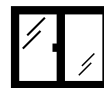

Premium Glass Presentation

Clear tempered glass panels provide maximum product visibility for attractive food display.

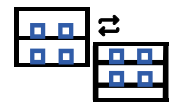

Modern Countertop Design

Sleek black frame construction enhances the presentation of baked goods and desserts.

Sliding Door Access

Rear sliding doors allow quick and convenient restocking during service.

Multiple Display Sizes

Available in single and double-layer configurations to suit different countertop spaces.
